OFFICE OF THE MUZRAI COMMISSIONER IN MYSORE,

Bangalore, 30th November 1929.

No. C679 Ex (Corr) 4-30

FROM Rajakaryagraviru
F. G. D'Souza, B.A., B.L., L.L.,
~~The~~ *Muzrai Commissioner in Mysore.*

To Muzrai 170-29.

T. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

SIR,

I have the honor to forward herewith copy of letter No.C.3-1066 23-29 dated the 13th November 1929 received from the Deputy Commissioner Bangalore District stating that the village of Huddenahalli in the -- Hoskote Taluk belonging to the Sri Agrahar Anjaneyaswami temple at - Hoskote which is under Government management has in the interest of the institution, to be surveyed and settled to know the definite -- income to the institution and to request that sanction may be kindly accorded to have the village surveyed and settled as recommended by the Deputy Commissioner. In case the ryots refuse to render help to the survey party for measuring and to put up boundary marks, the survey party officer may get the same done at Government cost which will be paid from the temple funds to be recouped eventually from the ryots.

I have the honor to be,

Sir,

Your most obedient servant,

R. Narasimha Murthy
Assistant commissioner
for Muzrai Commissioner.
(Absent from station)

-2-

Letter No.CB-1366/ 2-29 dated 15th November 1929 from the Deputy Commissioner Bangalore District to the Inamdar Commissioner Mysore.

Subject:- Restoration of the inam village endowed to the Sri Prahar Anjaneyaswamy temple, Doskote.Taluk.

In reference to your order No.R.Dis.20/27-28 dated 17th -- September 1927, passed in a civil case No.10 of 26- 7 on the file of your office, on the appeal of one Patti Krishnamurthi Chetty, Vahivatdar of the above institution and its inam endowments, directing among other things that the management of the inam village may be restored to the Vahivatdar, in case he himself agrees to abide by the scale fixed by the Deputy Commissioner, I have the honor to state that the Sub Divis on Officer, Dodballapur estimates the -- probable yield from the land, still unoccupied which measures about 13 acres in extent, in the shape of kandayam, if leased out ---- permanently, will be about Rs.26/- and proposes a scale of expenditure according to the income, that the institution is now deriving from all the other sources. But I think that in the best interests of the institution the village should be surveyed if not settled also, when the definite income of the village will be known clearly. It is better if that it is settled also and the permanent income ascertained. As the institution and the endowments are under Government management now, this opportunity may be taken advantage of, and final action taken.

2. But, however, I have sanctioned a scale of income and -- expenditure (copy enclosed) to be in force tentatively during the period the institution continues to be under Government management, and issued instructions to Sub Division Officer, to add on to the reserve fund, the amount now provided for the Vahivatdar in the -- scale, after deducting the Kotgi payable to the village officers which item has been left out in the present scale.

3. On receipt of your orders further action will be taken in the matter.

"C o p y"

Rao Bahadur.

For Mysrai Commissioner.
